AMENDMENT UNDER 37 C.F.R. §1.116

Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

In response to the office action of March 17, 1997, please amend the above-identified application as follows:

IN THE CLAIMS:

Y1
42. (Amended.) A method of hormone replacement therapy or contraception [fertility control], comprising administering to a woman in need thereof an effective amount of estrogen, alone (or) in combination with an effective amount of a progestin, (and an amount of antiprogestin effective to ameliorate uterine bleeding [control] problems associated with hormone replacement therapy or contraception.

Claim 48, line 2: replace "fertility control" with --contraception.--

Y2
49. (Amended.) A method of achieving contraception [fertility control] in a woman comprising administering to a woman in need thereof an effective amount of progestin and an amount of antiprogestin effective to ameliorate uterine bleeding [control] problems associated with hormone replacement therapy or contraception.
